Holmes County/Village of Millersburg Comprehensive Plan

Press Release

Holmes County/ Village of Millersburg Comprehensive Plan

Hey Holmes County, What is your Vision?

The county and village hired Poggemeyer Design Group, Inc., A Kleinfelder Company, to work with the county and village-appointed Steering Committee to complete a Comprehensive Plan. A Comprehensive Plan is a document and process that determines community goals and visions in terms of community development. It can guide public policy in the areas of transportation, utilities, land use, recreation, housing, economic development, and downtown development.

The Steering Committee has been meeting with members of the public through workshops covering various planning elements. We are working on the public input phase and would like your opinions on key issues in the county, related to the comprehensive planning process. **Please visit the survey monkey link or scan QR code and take 20-25 minutes to answer the questions and provide your feedback.** <https://www.surveymonkey.com/r/HolmesCoMillersburgCompPlan>. Your feedback will be utilized in the final comprehensive plan recommendations that will guide the future of the county. Please remember to provide your contact information at the end of the survey for a gift card raffle.
